Flexible Curves, Ultimate Beauty.

The modern and elegant design combined with the chair's graceful lines makes Amy the ideal choice for your comfort.

The stylish appearance and smooth curves are the essence of Amy's form and comfort.

The comfortable chair curves like flowing water,
While the seat cushion is as full as clouds.
Close your eyes and immerse yourself;
Comfort is within reach.

1

The leather is soft and has been beautifully textured, making it skin-friendly and breathable.

2

The armrests extend outward, providing flexible support for both elbows and increasing the contact area.

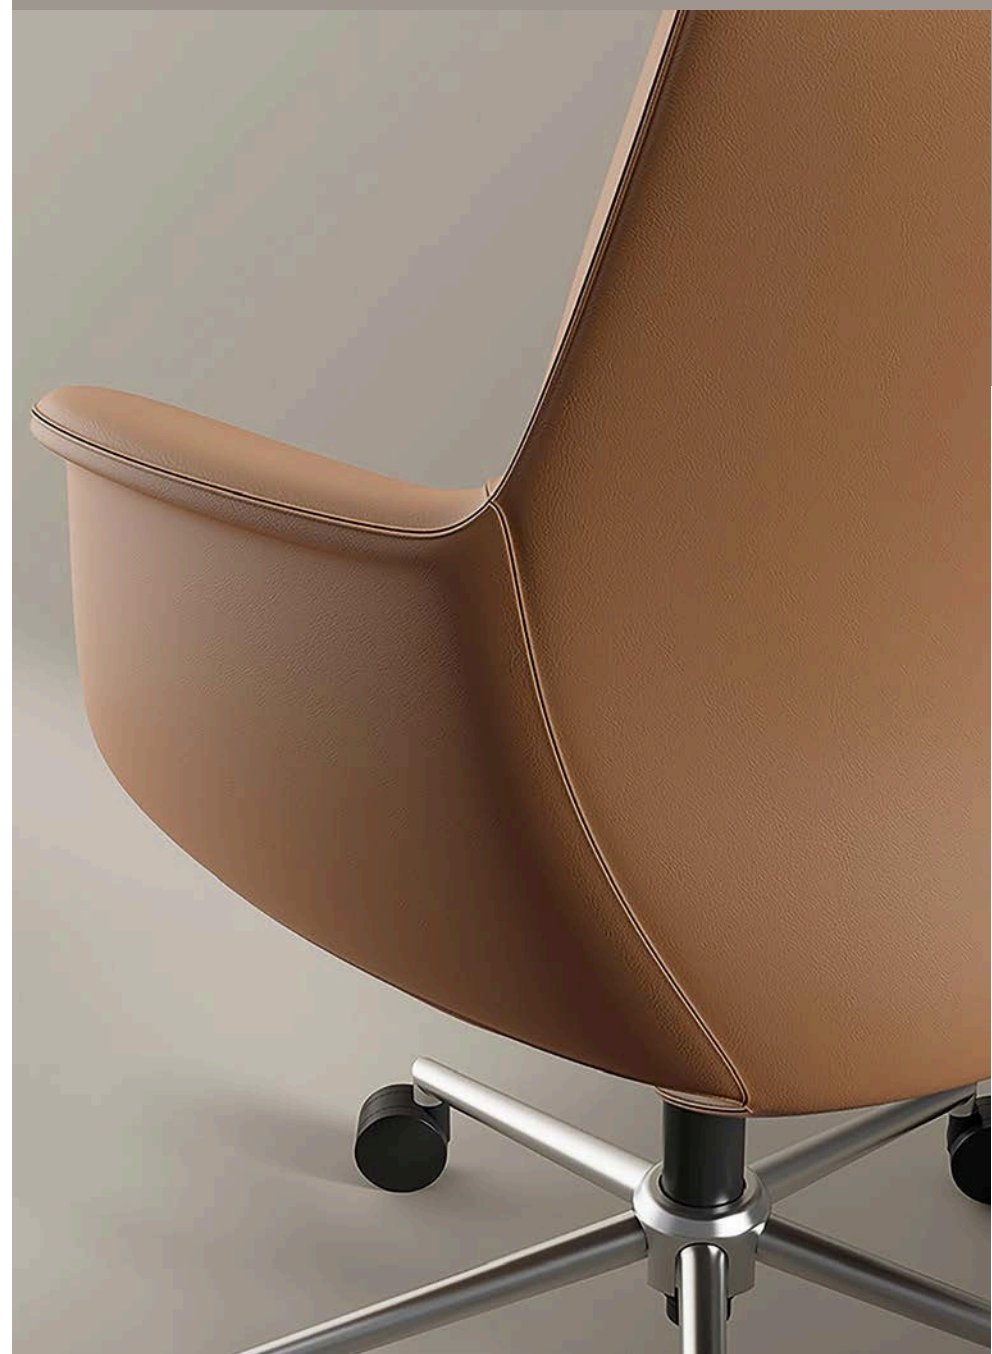

3

Distinctive feature with a height-adjustable and thickened headrest for personalized comfort.

Exquisite dual stitching, sleek back shape,
Presenting a terrific quality.
Backrest chair and seat tilting function,
Ergonomic leaning.

Curvy Back Cozy Tilting
