Luxury Defined in the Details

Every metal component within the LINEA DUE collection is enhanced with a polished Black Nickel electroplated finish, creating subtle reflections, refined contrast, and a distinctive executive identity.

LINEA DUE combines bold structure with refined minimalism for modern executive interiors.

Architectural Balance In Every Detail

Defined by Horizontal Precision

LINEA DUE emphasizes clean linear geometry, creating visual calm and executive clarity.

Executive Architecture, Refined.

A contemporary collection designed to define leadership spaces with precision, warmth, and authority.

MEETING TABLES

Executive Architecture, Refined.

A contemporary collection designed to define leadership spaces with precision, warmth, and authority.

A white cabinet with four light wood doors and black handles. On top, there is a lamp with a white base and a glass globe, a stack of books, and a small black decorative object.

A large conference table with a white central section and light wood side sections. On the table, there is a vase with greenery, a white bowl, and some papers.

A beige leather office chair on casters, positioned in the foreground on the left side of the table.

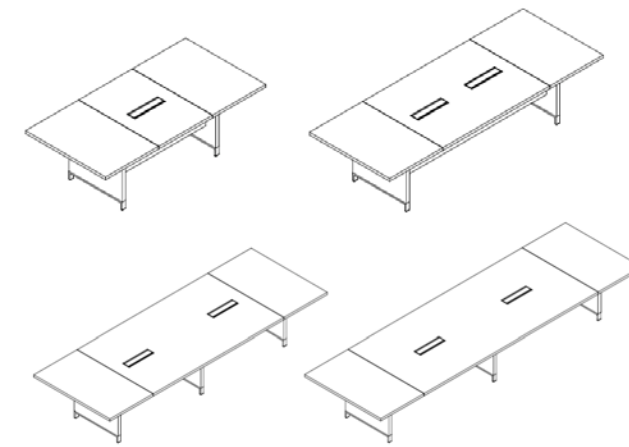

A beige leather office chair on casters, positioned behind the table on the left side.

A beige leather office chair on casters, positioned behind the table on the right side.

A beige leather office chair on casters, positioned in the foreground on the right side of the table.

A decorative wall panel with three circular cutouts, mounted on a white wall.

A large window on the right side of the room, providing a view of the outdoors.
