The Normann chair seamlessly blends comfort and sleek design, featuring a stylish silhouette wrapped in premium leather. It's the perfect fusion of minimalism and luxury, dynamism and tranquility—a harmonious balance of style and substance.

When prolonged sitting is unavoidable, Norman delivers all-around support to effectively relieve muscle tension and spinal pressure, keeping you comfortable and focused.

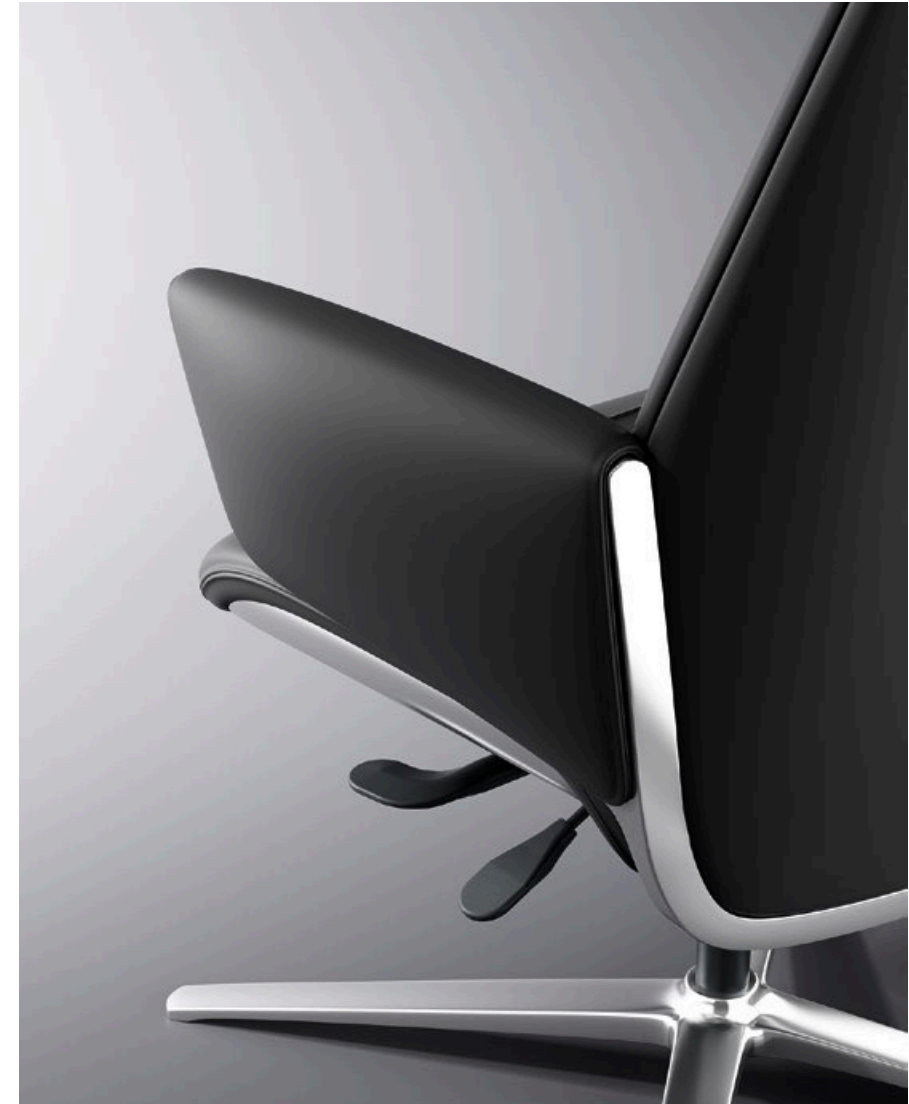

Inspired by the sleek lines and aerodynamic curves of modern cars, this chair boasts a slim, body-positive design that reimagines the traditional leather chair. With clean, minimalist lines, it breaks away from bulky conventions, offering a modern blend of elegance and comfort.

Enjoy precision-engineered comfort with a four-level locking chassis and customizable back angle adjustment. Featuring silent universal wheels, sleek simplicity, and effortless mobility, this chair sets a new standard in ergonomic excellence.

Crafted with a leather-wrapped aluminum bracket, this design artfully combines contrasting materials for a multi-sensory experience. The blend of soft and hard elements creates a bold visual statement and a luxurious tactile feel, captivating both the eyes and the touch.

Visually striking, charming hues,
multi-color versatility.

- 1. Breathable honeycomb mesh cushion, filled with elastic sponge
- 2. Fixed aluminum alloy armrests
- 3. Reclining 25 °, comfortable leaning
- 4. Donati chassis, 4 positions of locking.
