800BAFCO

www.bafco.com

Crafted for leaders who shape the future, this presidential chair combines timeless elegance with unparalleled comfort. Designed to inspire confidence and command attention, it features premium materials, ergonomic support, and meticulous craftsmanship, making it the ultimate seat for decision-makers. Elevate your space with a chair that reflects your vision and authority.

A creative life demands inspired design.

BALANCED STRENGTH AND SOFTNESS, COMFORTABLE AND PLEASANT

01. Seat height adjustment

Upward Adjustment: Get up and pull up the lever to raise the seat to a comfortable position.

Downward Adjustment: Apply downward force and pull up the lever to lower the seat to a comfortable position.

02. Seat tilt lock adjustment

The back is designed to follow your spine and pelvis and provide optimal support for every position of your back, with a gear under the chair to lock.

03. Seat recline strength adjustment

Rotate the handlebars under the chassis to adjust the seat recline according to the user's needs.

04. Seat cushion sliding adjustment

Adjust the handle under the chassis to adjust the sliding position of the seat cushion according to the user's needs.

THE LINES ARE SLEEK AND ELEGANT
