Inspired by Traditional Executive Workspaces

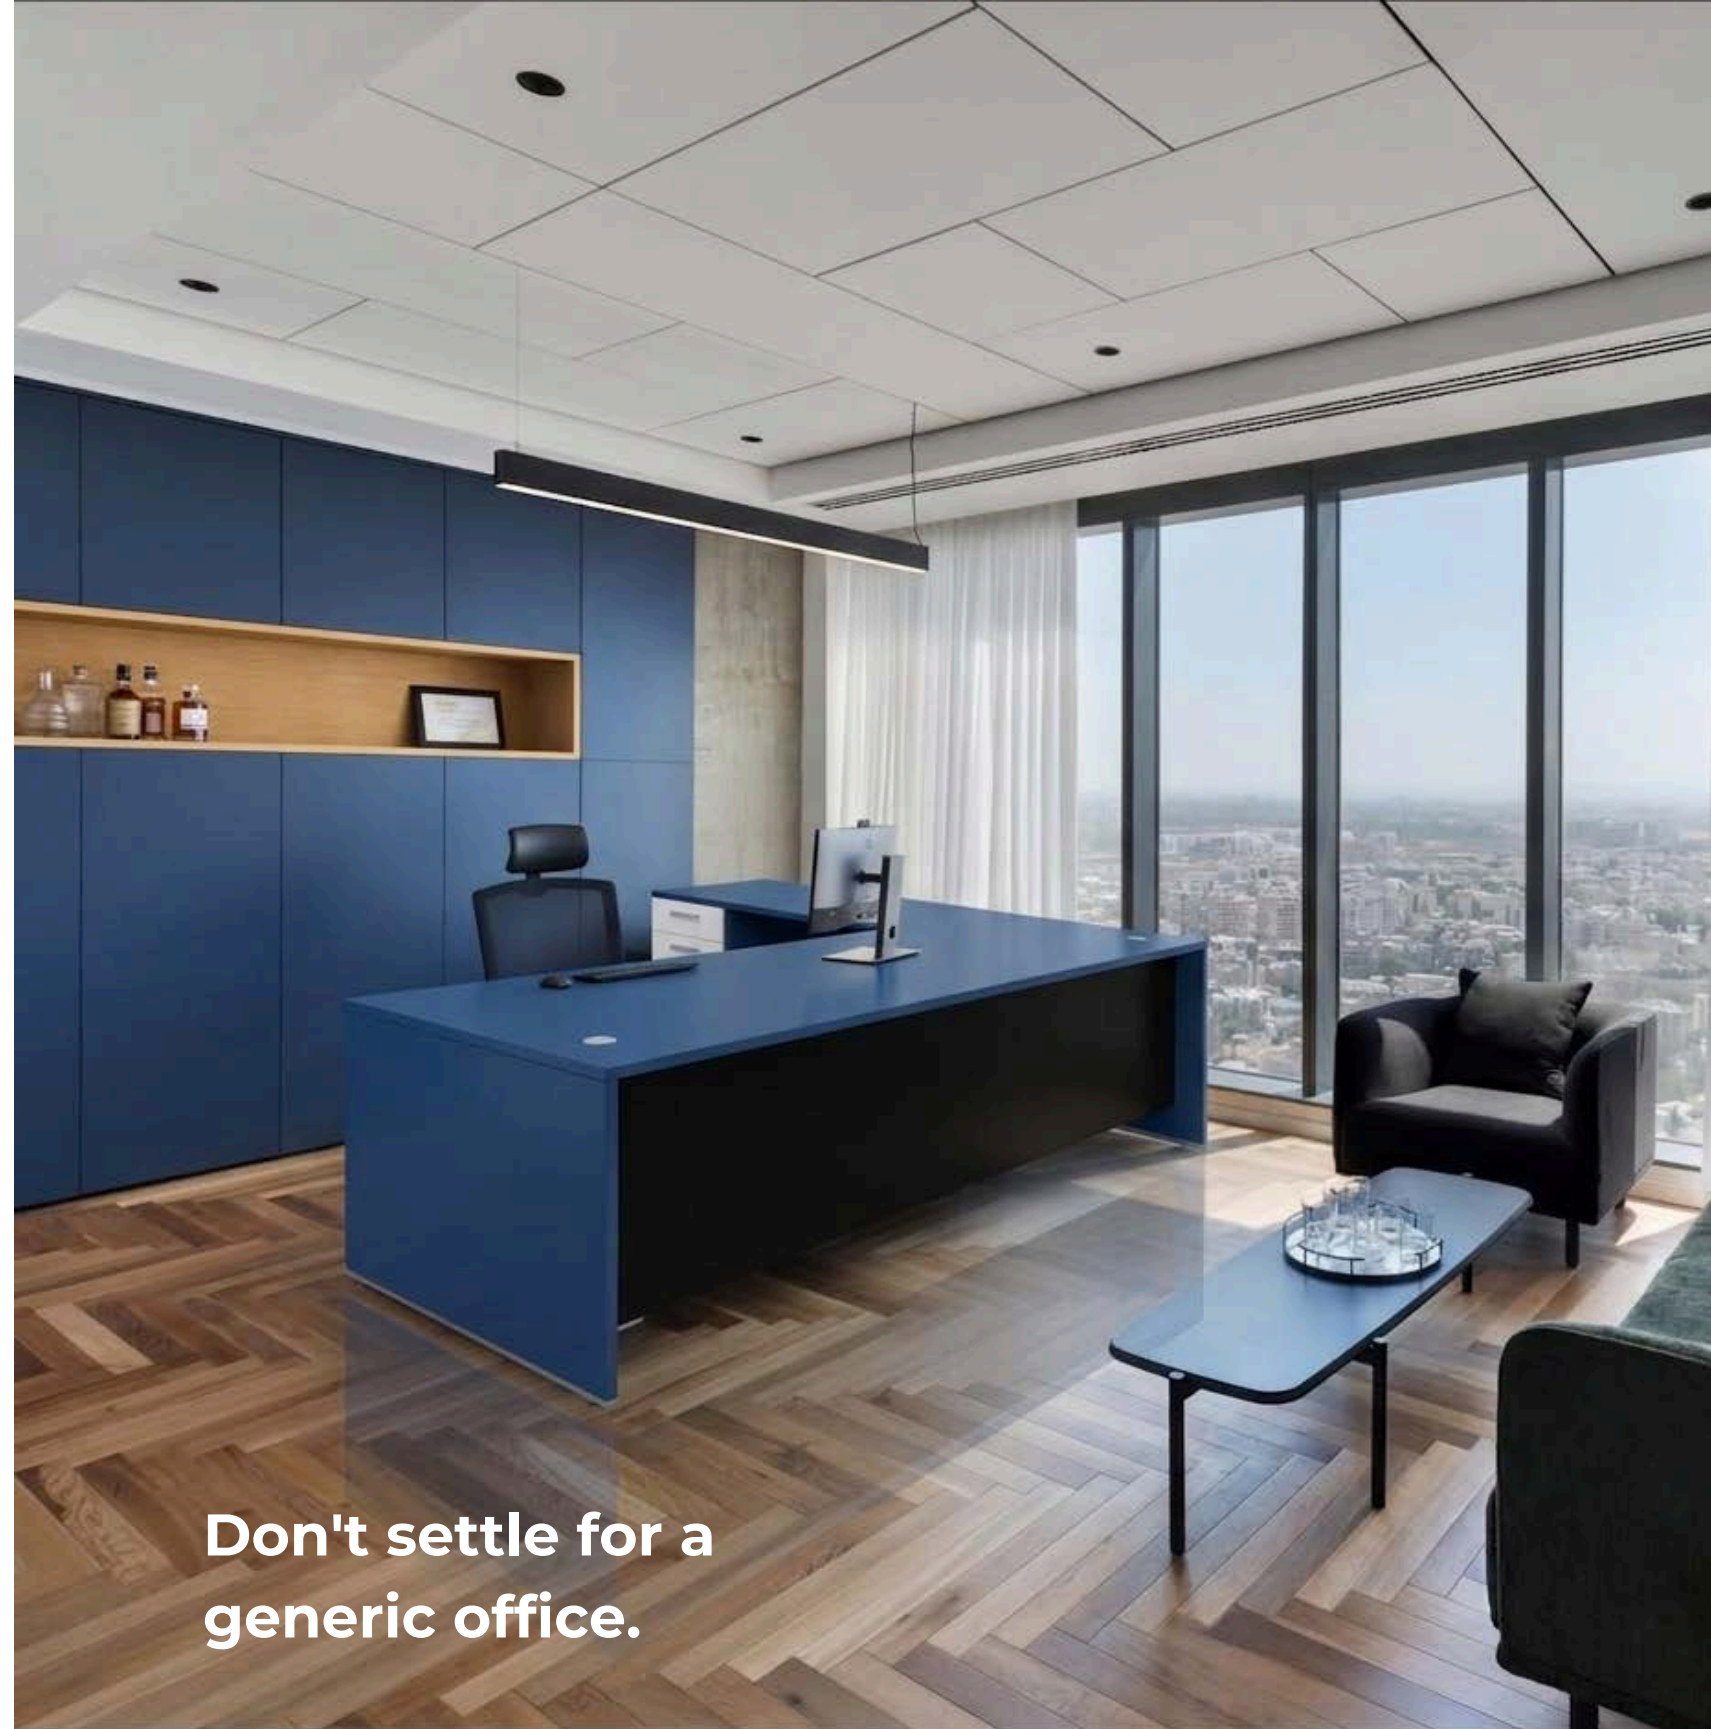

US SERIES draws inspiration from classic American office planning where executive workstations evolve through modular extensions and supporting elements.

Built for Growing Leadership

US SERIES is a practical executive furniture system designed to evolve alongside modern organizations through modular planning, timeless aesthetics, and dependable functionality.

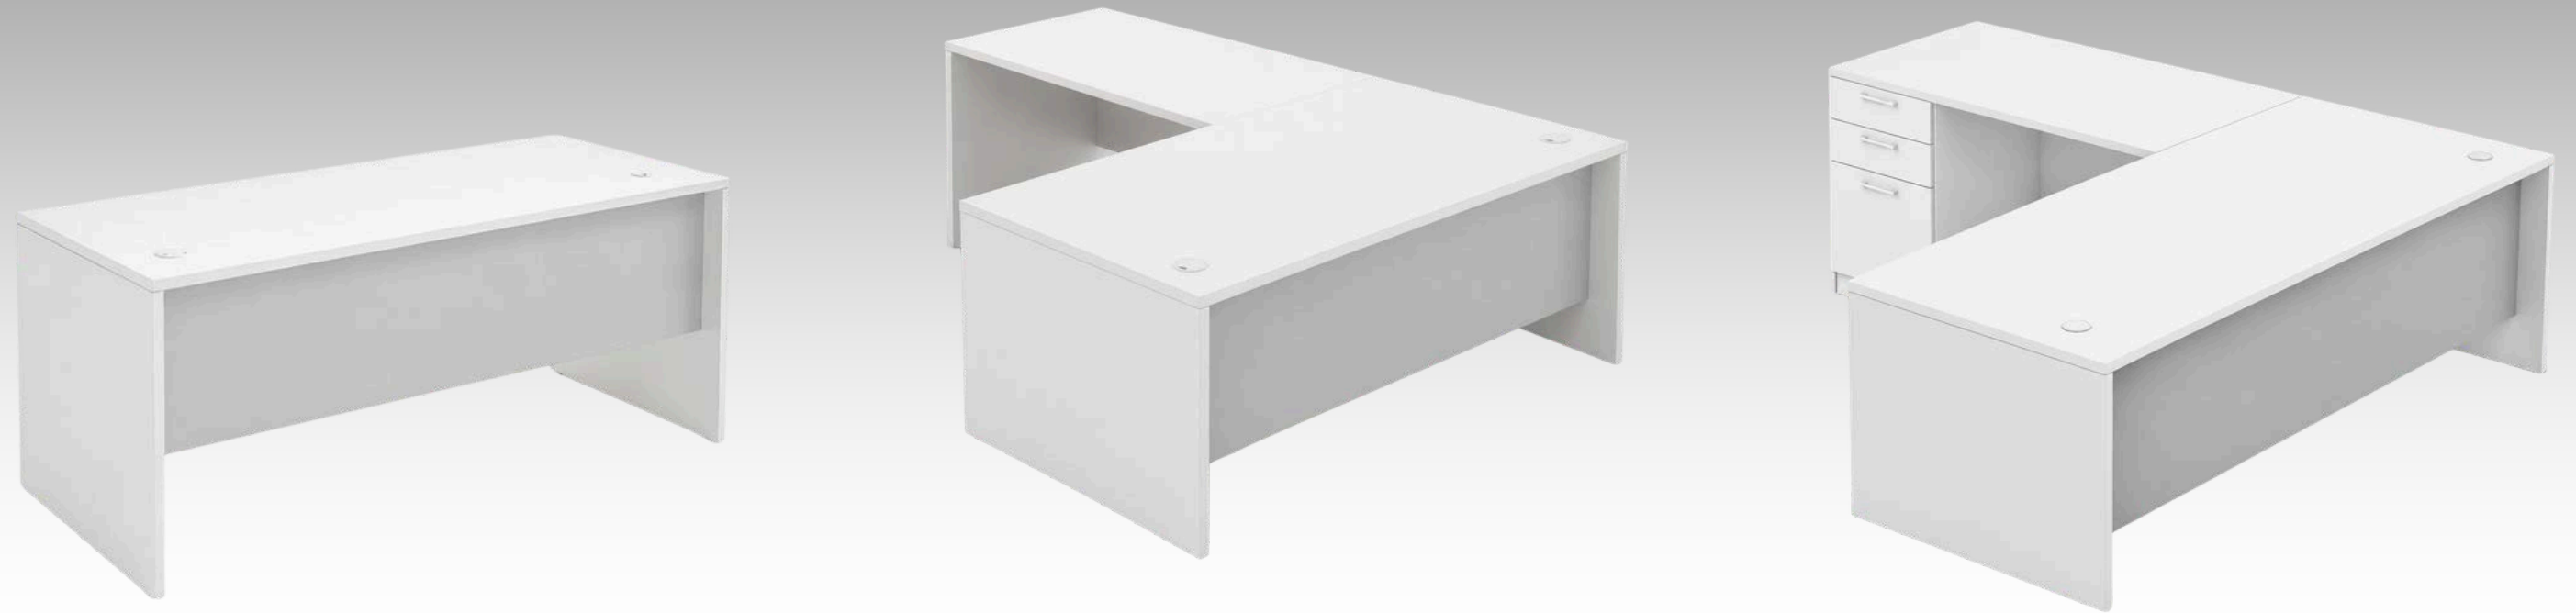

Don't settle for a generic office.

Choose from BAFCO's curated palette of colors and wood finishes to create a workspace that complements your brand's identity.

Choose your level of modesty
panel height for added privacy.

A Workspace That Grows With You

US SERIES is designed as a modular executive platform that adapts through extensions, return units, and supporting storage configurations.

MEETING TABLES

Designed Around Conversation

Bow-shaped meeting tables introduce a more approachable and collaborative executive meeting experience.
