Ring Executive Series

Designed by Claudio Bellini

Milan, Italy

Ring Executive Desk, with a sophisticated and understated design, is the perfect focal point for the modern office. The mocha teakwood veneer gives the desk a refined and sophisticated finish combined with Khaki lacquering technique. With its curved corners and curved fibreglass loop legs this desk is sure to impress.

Gaddi Executive Series

Designed by Claudio Bellini Milan, Italy

A comfortable office space is a requisite not for working, but for having conversations with clients. The inspiration of Gaddi Series design is captured from ballet. With a pair of circular arc shape and a slimline desktop, Gaddi is an optimum choice for executives to embrace more challenges in a younger posture.

Gramy Executive Series

Designed by Claudio Bellini

Milan, Italy

Lauded as "The Most Attractive Office Desk", Gramy Series, with its streamlined geometrical trimming, pays tribute to electric cars in terms of the shape in the front of the desk and the center console of Tesla in terms of its tabletop. Every corner and every line demonstrates its unique highlight. Breaking through the traditional rectangular style of office furniture, Gramy's double-layer tabletop, together with its exquisite crafts offer you a cozier office space.

Feigelali Management Designed by Claudio Bellini

Milan, Italy

Simple yet powerful lines paired with dark-brown hues on tabletop, glass partition design adopted on the back cabinet which demonstrates the flexibility, and the 3A Grade leather of the executive chair imported from Italy which has soft and delicate touch, all these features make Feigelali Series a unique choice for the minority elites, elaborating the decisive and sagacious businessmen.
