# iTech.2

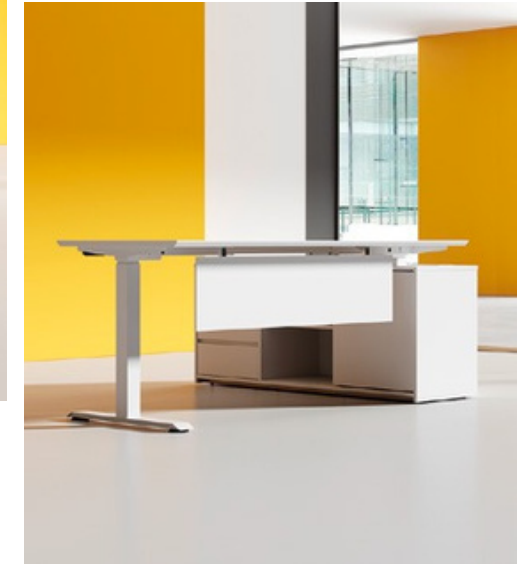

An ideal workstation that allows you to stretch your body free.  
Enjoy alternate sitting and standing, and be free to pursue physical comfort during office work.

Healthy

Double power, skyrocketed performance!

Prompt lifting and lowering in one press, keep the immersion of the task and liberate your body from sedentary work.

#### Full set of the high digital display screen!

Full series equipped with the flagship digital display screens and possesses the function of one-touch lift, 3-position storage, and timer reminder. Intelligent control brings the ideal height at one press.

Dual motor. Brilliant performance!

Fixed posture in sedentary work? Stand up, stretch yourself – obtain a healthy and comfortable working mode.
